## WHY CUIRASS STEEL DOORS ?

In the arena of home construction, Indians, have been giving quite a remarkable importance to wood. However, the scarcity of quality wood, the exorbitant and baseless increase in the price and the labour changes, along with the shortage of expert labours and the unaccountability of the locking system are the major factors which inspired us to create a new innovative concept of steel doors,

## OUR PRODUCTS

The Cuirass steel door, an elegant modern marvel is crafted from Well insulated Steel (GI) of international standards. The doors Anti-theft locking system locking at Several points, offering you the ultimate security status with a 5 year warranty on its locking system, wide choice of design and colours influenced by wooden designs, resembling fine quality tree wood to apt with more vivid, and ritzy patterns of the new age. The wooden designs are laminated on the doors at a very high temperature. The doors are UV protected and highly durable.

The Cuirass steel doors are inexpensive than normal wooden doors. The Cuirass PVC door, a more decorative and ornamental variant, is a sure bet for your urban office rooms and beautiful bathrooms. The products high demand and opulent status has made it a instant hit in foreign countries.
